- Repels Deer, Rabbits, Squirrels, Raccoons, Dogs and Cats from
- Gardens, Garbage, Lawns, and
- Landscaped Areas
- For Outdoor Use

Directions For Use

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Use Restrictions

For outdoor use only. Will stain fabric. Do not use where vegetable oil would be undesirable, such as car finishes, home sidings or screens. This product is known to stain concrete. Spray inconspicuous area to test.

NOTE: This product is known to cause plant damage. Before full-scale application, test spray on inconspicuous part of plant and wait 24 hours to see if injury occurs. Only treat portion of plant that is within animals reach. Do not use on new transplants, newly rooted cuttings or plants stressed by drought. Avoid application when leaf temperature is below 40°F or exceeds 85°F. Do not apply to arborvitae, juniper, spruce, Japanese holly, Red cedar, Japanese cedar, Douglas fir, Smoke tree or cypress.

Application Directions

Lawns and Gardens: To discourage unwanted dogs, cats, raccoons and deer from entering lawns or gardens, spray a five-foot wide perimeter around lawn or garden for border protection. Use spray setting. Apply 0.10 oz. (approximately 3 full trigger sprays) per square foot. Reapply every 7 to 10 days.

Garbage Bags: To reduce frequent tearing of garbage bags by dogs, cats and raccoons; spray entire bag thoroughly, including the bottom. Use spray setting. Effective up to 36 hours before garbage pickup.

Landscaped Areas: To discourage digging by cats, dogs, raccoons and

squirrels in landscaped areas, apply product to soil, or existing mulch for border protection. Use stream setting. Apply 0.20 oz. (approximately 5 full trigger sprays) per square foot. Reapply every 7 to 10 days.

Trees and Shrubs: Refer to use restrictions before applying to trees and shrubs. To prevent deer from eating nonbearing shrubbery and trees, spray accessible areas of shrubs and trees. Use spray setting. Apply 0.07 oz. (approximately 2 full trigger sprays) per square foot. Reapply every 7 to 10 days.

Bird Feeders: To discourage the raiding of bird feeders by squirrels, wet area around bird feeder, including pole, branches and tree trunk. Use spray setting for feeder and stream setting for all other areas. Apply 0.10 oz. (approximately 3 full trigger sprays) per square foot. Reapply every 7 to 10 days.

Precautionary Statements

Hazards to Humans and Domestic Animals CAUTION: Harmful if absorbed through skin. Avoid contact with skin, eyes or clothing. Harmful if inhaled. Avoid breathing spray mist. May cause burning sensation to skin, eyes or nose due to Capsicum Oleoresin. Remove and wash contaminated clothing before reuse. Wash thoroughly with soap and water after handling.

First Aid

If on Skin or Clothing:

- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15-20 minutes.
- Call a poison control center or doctor for treatment advice.

If in Eyes:

- Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
- Call a poison control center or doctor for treatment advice.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. Contact 1-800-858-7378 for emergency medical treatment advice.

Environmental Hazards

Do not apply directly to water. Do not contaminate water when disposing of equipment washwaters or rinsate.

Storage and Disposal

Do not contaminate water, food or feed by storage and disposal.

Pesticide Storage: Store only in a cool, dry area inaccessible to children and pets. Protect from freezing and heat. Keep container tightly closed to prevent evaporation.

Pesticide Disposal: Wastes resulting from use of this product may be disposed of on site or at an approved waste disposal facility.

Container Disposal:

If Empty: Do not reuse this container. Place in trash or offer for recycling if available.

If Partly Filled: Call your local solid waste agency or (800)-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.
